HKU Faculty of Dentistry visits SAHK Shek Wai Kok Pre-school Centre

31 March 2010

Dr Cynthia Yiu (pictured right) shared oral health advice with 13 parents of children attending the SAHK (formerly, the Spastics Association of Hong Kong) Shek Wai Kok Pre-school Centre in Tsuen Wan, on 31 March 2010.

Ms Angel Fan, superintendent of the centre said the educational visit matched the needs of the parents, and thanked Dr Yiu for “patiently and clearly answering parents’ questions”.

“All parents gained basic knowledge on children’s oral care, and they would like to have more similar talks,” Ms Fan added.
