

# HKU Faculty of Dentistry features on i-Cable TV programmes on oral health

Six academic members of the HKU Faculty of Dentistry appeared on i-Cable TV Channel 8 from December 2012 to January 2013 to share their knowledge and expertise on oral health with the Hong Kong public. Topics included orthodontics, periodontology, sleep apnoea, oral benign tumours, dental decay, paediatric dentistry, jaw pain, and jaw nerve damage.

The programmes were part of the i-Cable series “至 FIT 男女” (“Health and Fitness”), which aims to provide up-to-date health information for viewers. The programmes were in Cantonese. The six Faculty members gave interviews and also answered live phone-in enquiries. The eight 1-hour episodes first aired on i-Cable Channel 8 on Sunday mornings from 10:00 to 11:00, from 9 December 2012 to 27 January 2013, according to the following schedule:
