

HKU Faculty of Dentistry features on Phoenix TV programmes on oral health

Ten academic members and two alumni of the HKU Faculty of Dentistry appeared on Phoenix TV Hong Kong Channel in spring 2013 to share their knowledge and expertise on oral health with the Hong Kong public. Topics included root canal treatment, oral tumours, making replacement teeth using computers, implant dentistry, orthodontics, and wisdom teeth.

The programmes on oral health formed part of the Phoenix TV series “醫 APPS 最強” (“Best Medical Apps”), which aims to provide up-to-date information for viewers and to help them become healthier. The programmes were in Cantonese. The ten Faculty members and two alumni were interviewed in seven 30-minute episodes, which first aired on Phoenix TV Hong Kong Channel on Saturday evenings from 22:30 to 23:00, from 5 January to 9 March 2013, according to the following schedule:
