Networking & knowledge exchange for healthy mouths, healthy lives

The HKU Faculty of Dentistry is keen to partner with NGOs, FBOs, non-profits, civic groups, and charities to promote oral health and well-being in Hong Kong.

Engage, exchange, strategise, and innovate over free dinner at our **Spring 2013 Mixer!** Come share experiences and ideas in organising effective community health and education projects, so that together we can improve oral health and quality of life for all in our community. Areas to explore include:

- *Understanding needs and concerns of different community sectors*
- *Sharing expertise and best practices*
- *Links between oral health status and general health and well-being*
- *Maximising impact of relevant health, education, communications, and policy research*
- *Planning effective, efficient, and sustainable health programmes*
- *Funding, training, capacity building, and long-term collaboration*
- *Opportunities for curricular and extra-curricular projects with Faculty staff, students, and alumni*

■ *Please register by 18 March 2013.*
