**Activa, the world first bioactive restorative material:
What it is. What it does. How it's different.**

29 OCTOBER 2018
Monday

12:20-14:00

Curriculum vitae

Dr. Rumpa Wig

Dr Rumpa Wig received her BDS from College of Dentistry, Indore, India in 1988 and PG (certification) Aesthetic Dentistry from New York University 1988 – 1999. She has lectured worldwide on more than 350 scientific podiums and has been invited as keynote speaker at various international and national events.

Her comprehensive hands-on courses are widely sought after and highly appreciated. Dr Wig maintains her private practice in Bhopal, India for 25 years with special emphasis on aesthetic dentistry, adhesive and minimally invasive dentistry.

Recently Dr Wig was appointed by Pulpdent (USA) as a distinguished core member on their team for clinical and scientific affairs.
