At the bottom, it says "Take care of your oral health to protect your mouth and body." and "LEARN AND ACT". Social media icons for Facebook, Instagram, and Twitter are shown, along with the website "www.worldoralhealthday.org" and a QR code. The event details at the bottom are: "Oral Health Exhibition 口腔健康展覽", "Prince Philip Dental Hospital 菲臘牙科醫院正門入口大堂", and "Main entrance, 9 am-5 pm, 20 March 2019年3月20日 上午9時至下午5時".

The Faculty's Oral Health Exhibition is for the general public to bring awareness regarding good oral hygiene practices, educating adults and children about healthy dietary habits and the benefits of maintaining good oral health and well-being.

World Oral Health Day is promoted each year by the FDI World Dental Federation (www.fdiworlddental.org). This year's theme is "Say Ahh: Act on Mouth Health; Take care of your oral health to protect your mouth and body". WOHD 2019 aims to get everyone to recognise the impact of their oral health on overall physical health and wellbeing to help inspire this change.
