Internship opportunity with Colgate - Palmolive

Professional Oral Care: Academic Affairs Trainee

Background:
Colgate-Palmolive is one of the leading global consumer products companies in the world with employing 40,000 people in more than 200 countries. We provide quality consumer products in the areas of Oral Care, Personal Care, Home Care and Pet Nutrition under widely recognized, famous brands such as Colgate, Palmolive, Softlaid and Hill’s Science Diet. Colgate people, working around the world, share a commitment to our three core corporate values: Caring, Global Teamwork and Continuous Improvement. These values reflect not only in the quality of our products and the culture of our Company, but also in our dedication to serving the communities where we do business.

Colgate-Palmolive (H.K.) Ltd. was set up in 1958 and has become one of the leading consumer product companies in Hong Kong. We are the leader in the categories of Toothpaste, Toothbrush and Fabric Conditioner as well as strong presence in Personal Care.

Education and Experience:
- Current Post-graduate Students & BDS Dental Students (Year 3 or above)
- Prior experiences in academic teaching / administration programs are preferred

Number of Internships Opportunity:
- One Post-graduate Student
- One BDS Dental Student (Year 3 or above)

Internship Period:
- 1 month in August plus 1-2 weeks in December

In Office Hours:
- 40 hours per week
- 9:00am – 5:30pm
- The weekly hours may vary depending on work flows

Office Location:
- 23/F, Causeway Bay Plaza I, 489 Hennessy Road, Causeway Bay, HK.

Summer Internship Program:
At Colgate-Palmolive, we offer an exceptional Summer Internship Program designed for dental students who have a strong interest in this profession and willing to enhance the personal development skills and expertise in oral care scientific knowledge.

As a summer intern you will be placed in Greater Asia Division Professional Oral Care and work along side a Scientific Affairs Manager to guide you through the summer internship process. You will be an active member in managing one or more projects and be able to gain knowledge of and interact with professionals within:

- Products Development
- Project Management
e.g. Dental Leadership Experience Program, Dental Convention
- Education materials Development
- Literature Study

In addition, throughout the summer you will be exposed to our organization through formal orientations and informal meetings with members of senior management. Technical training and department overview sessions will also be available to you throughout your internship. Successful Interns demonstrate strong team building and communication skills, as well as the ability to plan and prioritize.

Application method:
Interested students please send your resume to Office of the Faculty of Dentistry
