

Oral biofilms

- (1) Use the information on the [Patient Page on oral biofilms](#) to find words that are connected with oral biofilms. Or:
- (2) Find words that may be connected with oral biofilms, and then check your answers against the [Patient Page on oral biofilms](#).

See below for tips. Click [here](#) for the solution.

Tips for Patient quiz

Acid, Archaea, Bacteria, Calculus, Caries, Community, Floss, Food, Fluoride, Fungi, Gum disease, Plaque, Rinse, Tongue

Knowledge exchange (KE) at the HKU Faculty of Dentistry (<http://facdent.hku.hk>) aims to maintain a two-way dialogue between the Faculty and all sectors of the community. The Faculty's KE strategy, public education, and community activities form part of the Faculty's fourth mission of "engagement". We will be pleased to consider any suggestions or comments, or community/school invitations; please e-mail dentktu@hku.hk
